

so fresh. so good.

A story that continues, with every bite...

It all started in 1998, when a small creperie in Argostoli, Kefalonia, decided to make a difference. Its name? Fagoto! Its mission? To add pleasure to everyday life, one crepe at a time! And succeeded...

Until, in 2005, it changed its name, its dream grew and became Crepaland!

Since then, it has been spreading smiles every day in every corner of Greece and Cyprus.

Today, Crepaland is the largest crepe chain, with a presence in both countries, and a menu that doesn't stop at crepes. Enjoy waffles, pancakes, burgers, club sandwiches and salads.

Synonymous with quality and imagination, it reminds you that no matter what you crave, there is always a Crepaland near you to fulfil every savoury and sweet desire!

so fresh. so good.
